Coates Lane Primary School

Mrs. White is out on jury service this week and so it has fallen to me to take on many of her duties; one of which is writing this newsletter.
I wanted to say what a pleasure it has been to lead this wonderful school in Mrs. White's absence; this really is a lovely community and your children are an absolute credit to you.
Excellent behaviour, good manners and respect for others are characteristics which the children display all the time, and that is lovely to see.
Thank you
Mr. Grogan

West Craven Food Bank

As some families may suffer hardship during school holidays and struggle to provide a lunchtime meal for children who normally have a free school meal, the team at West Craven Food Bank are offering brunch parcels for any families in need. Please feel free to contact them directly or speak to Mrs. Thompson in school if you would like to take advantage of this offer.

Internet Safety

Here at Coates Lane we are very aware of the potential threats to our children as a result of unsafe online activities. Unpleasant incidents could happen anywhere and to any child or young person.

Please help us to help your child to stay safe online so that no child in our community ever has to suffer the distress that these incidents can cause. One great way is to talk to your children (especially the older ones) about what they do online and who they communicate with.

There is a wealth of information available to parents and schools to help deliver this safety message; I have included links to some of the best resources below. Please take time to research this crucial issue. Thank you.
