

Coates Lane Primary School

Next week in school we are having a special theme week, called "Don't Give Up!" Throughout the week we will be encouraging the children to try out some fun new skills, which may be tricky at first. Through lots of effort and after listening to advice and feedback, we want the children to see that they all can improve in many different ways – I think some might really surprise themselves! The week is part of a drive to renew the children's **Growth**

Mindsets—the belief that they can, and will, improve if they keep on trying and follow advice.

Thank you to everyone who came to the Parents' Evenings this week. It was great to see so many of you and share your children's brilliant work. Thank you also to anyone who completed a questionnaire!
