Please Keep Our Pupils Safe

Recently, we have noticed that lots of people are parking on pavements and in front of the entrance to school at pick up and drop off times.

This is very dangerous and could cause harm to pupils and adults walking into and out of school. We have numerous parents who have prams and some parents who are visually impaired so it is extremely important that we do all we can to ensure that everyone is safe around school.

Please can we ask anyone driving a car to ensure that they park appropriately and safely. We understand that parking can be difficult on Kirkstall Drive and always encourage people to park a few roads away and walk the last few minutes if possible.

Thank you very much for understanding and helping us to keep everyone safe.
