DON'T GIVE UP!

This week in school, we have had a big focus on not giving up and keeping on persevering.

It's a wonderful attribute to be able to see a challenge through to the end and strive to achieve something that might be hard. We have had an assembly about how we can 'keep on trying' in school and thought of examples of when we need to try hard and not give up. Some of the examples that the children thought of were: learning to ride a bike, getting a new swimming award, passing your driving test, tackling a maths problem, improving their handwriting and many more!

We also listened to a song to try and remind us of this. The link for the song is below if you would like to hear it and sing it at home (my daughter loved singing it when she was trying to practice her spellings!).

We would love it if you could reinforce this at home with the children so we can work in partnership to raise children who have the confidence to tackle challenges head on and persevere to achieve their goals, whether it be personal or in school.

when you feel like giving up,
look back at how far you've come.

be strong. stay on your path.
never stop going.
