## HOLIDAY DATES

This week you should have received the Holiday Dates for the next academic year 2018-2019. We have purposely chosen to add three staff training days to the October half term 2018 to encourage you to use that week and a half to book a holiday instead of during term time.

I have had an increased number of applications for leave in term time and whilst I understand that family time is so valuable, when children miss a week of school they miss 25+ hours of learning and can often get confused upon their return to school.

We don't encourage children to take any term time holidays when they are in Reception or Year 6 as these are key points in their education. We also don't encourage holidays in September as this is a vital time for assessments and settling into new classes. Please consider using the 3 extra days to enable you to have a family holiday where your child doesn't miss as much school.

Thank you for your understanding.
