

Year 4 - Week Commencing 11-9-17

Maths

Our main focus in Maths this week will be fractions and decimals. The children will be identifying fractions, equivalent fractions and adding fractions with the same denominator.

English

We will be continuing the reading phase of *The Firework Makers Daughter* by Phillip Pullman as part of our unit on Fantasy stories. The children will begin to understand more about the characters and main plot.

Theme

Mrs Morgan will be leading the Science again this week with some practical activities involving electricity and circuits. I shall be beginning our DT unit on electrical toys and cannot wait to see what wonderful and inventive ideas the children come up with!

Extras

French will be on Friday, PE will be on Monday and with Phil on Friday.

My PPA will be on Wednesday morning till 11 am.

Weekly homework can be found at www.activelearnprimary.co.uk

If your child has forgotten their log in details, I can provide you with them. This is a great resource for the children to use!

Phonics (or spelling in KS2) Focus:

This week we will be continuing our work on homophones (words which sound the same but are spelt differently). This year the children will also be given 3 spellings taken from the Year 4 statutory spelling list.
