

## Year 2 - Week Commencing 23.10.17

### Maths

We will be learning about the relationship between addition and subtraction and how they are the inverse of one another. We will also be re-capping on adding and subtracting two-digit number and ones; two-digit number and tens and two two-digit numbers.

### English

We will be continuing a poetry unit of work this week. We will be continuing to map out and learn our shared poem by heart and will be identifying the features of the poem (such as number of verses, rhyme and repetition). We will then use this to plan and write our poems based on this model.

### Theme

This week we will be making a start on our new half term topic-Fighting Fit. We will begin looking at what we need to survive and what healthy eating is and a healthy balanced diet. We will continue to make musical instruments in our music/DT session. In RE, we will be identifying and describing how religion is expressed in different ways by exploring the beliefs and values of Muslims, how they pray and what they do to prepare for prayer.

### Extras

My PPA time will be on Tuesday and Mrs Mackie will be teaching the class.

P.E. will be on Tuesday and Friday-please make sure kits are in on these days.

Please remember to also read at home every day with your child and to sign their reading record book when you have read with them.

Homework: There is a x5 tables activity that has been sent home this week and there will be a quiz on these on Friday. Please remember that there is also Times Tables Rock Stars and specific times tables have been set on this.

There is also an activity related to our theme of healthy eating and eating a balanced diet that will be sent home this week. This is a food diary that the children have been asked to complete. It would be appreciated if you would support your child with this activity as we will be using this as part of a discussion in a future lesson.

**\*We will also be having a fruit tasting session this week. Please could you inform us if your child is unable to eat any specific fruits-thank you.**

**Phonics/ spelling Focus:** This week we will be focusing on oa,oe (as in boat and toe) ph,(as in elephant) and the split digraph o-e (as in hope)

There will be a spelling test on words with these sounds on Thursday as well as some common exception words and words containing some of the other phonemes taught so far. The children have been asked to bring in their spelling record books every Friday so that their spelling scores and times tables scores can be written in.
