

Week beginning: 15th January 2018

Class R weekly newsletter

Spring 1

Dear Parents,

It has been a busy first week back and the children have settled into the routine well.

We will now only have one PE session a week and this will be on Wednesdays.

A reminder that we will be holding a phonics morning on Tuesday 30th January from 9:15-10:15. This will be an opportunity for you to participate in phonics activities with your child. If you haven't returned the slip to say whether you will/will not be attending could you please do so as soon as possible? We politely ask any parents who have younger siblings of their child to not bring them to the phonics mornings as this is about you spending time with your child at school.

We have just purchased an online observation tool to record children's learning journeys electronically. We are excited to get to grips with the new system. An aspect of this observation tool is allowing parents to see the journey as it is uploaded and to make comments etc. More information will be given to you in due course.

Learning

In literacy this week we will be learning about the animals that live in the Arctic and Antarctica regions and writing labels for them. In maths we will be learning to find one less from a group of objects and using a number line.

Home Learning

This week's homework task is finding one more than a number up to 20 and writing the number that is one more.

Remember to send evidence of children's home learning and any 'Magic Moments' to the address below:

classr@coateslane.lancs.sch.uk

Kind Regards,

The EYFS team

Monday – Assembly

Tuesday - AM – Class Assembly/French

Wednesday AM - Singing assembly; PE with Phil

Thursday AM –Assembly

Friday – Achievement assembly

Daily Routine

8:45 - REGISTRATION

9:00 – Assembly
