

Week beginning: 29th January 2018

Class R weekly newsletter

Spring 1

Dear Parents,

We have started the phonics booklets again which each child has in their book bag. Your child's booklet should have all the letter sounds they have learnt so far and at the back, a list of tricky words which they need to be able to read on sight. Please help your child to read them. In school we will tick each word that your child can read independently.

Show & Tell will now be just on a Friday afternoon. If your child wishes to bring in something that they would like to share with the class they can do. We are having a focus on bringing something special rather than just a toy (If it is a special gift that is fine). Some ideas are a photo of a family activity, items collected on a walk or trip etc.

A reminder that will be going on a class trip to Thornton Hall Farm on Thursday 8th March. Please send in the permission slip and £10 into school ASAP. Thank you.

We will be adding all parents to the Learning Journey app we are using called Tapestry to record children's observations. A link will be sent to your email before half-term explaining how to join up to the app.

Learning

In literacy this week we will be learning about an explorer and writing a list of items to take to the Arctic. In maths we will be learning to add single digit numbers by combining sets of objects and using the terminology part-part-whole.

Home Learning

This week's homework task is to identify items of clothing needed in Winter, cutting and sticking them. Help your child to labeling items they know.

Remember to send evidence of children's home learning and any 'Magic Moments' to the address below:
