

Week beginning: 5<sup>th</sup> February 2018

# Class R weekly newsletter

Spring 1

Dear Parents,

It was lovely to see such a big turnout for the Phonics Morning on Tuesday and it was fantastic to see parents and children participating in phonics activities together. 😊

If you have provided the school with your email you will be receiving an email within the next couple of days asking you to click on a link to set up your personal login for Tapestry. Tapestry is a website we are using to record your child's learning journey electronically. Please do this so that you can access your child's learning journey. Learning journeys will be available to view during each school holiday.

Show & Tell will now be just on a Friday afternoon. If your child wishes to bring in something special that they would like to share with the class they can do.

A reminder that will be going on a class trip to Thornton Hall Farm on Thursday 8<sup>th</sup> March. Please send in the permission slip and £10 into school ASAP. Thank you.

## Learning

In literacy this week we will be going back in time to the Ice Age and investigating the remains of a Woolly Mammoth which have actually been discovered in our class! In maths we will be learning to solve addition word problems using the concept of part-part-whole.

## Home Learning

This week's homework task is to draw a cave picture some ideas are Ice Age animals, Cave people, patterns etc. Make it as creative as you wish - you can either use paint and use a canvas or use the template given to each child.

Homework for the Half-term holidays will be a whole school project to create a craft box with the theme of Kenya. Details have already been sent out to parents.

Remember to send evidence of children's home learning and any 'Magic Moments' to the address below:
