

Year 5 - Week Commencing 10th September 2018

Everyone has made a fantastic start to Year 5 - well done!

Maths

This week we will be looking at the following:

Place value problem solving and reasoning questions.

Rounding numbers up to 1 million to the nearest 10, 100 and 1000.

Rounding numbers up to 1 million to the nearest 10,000 and 100,000

Rounding problem solving and reasoning questions.

English

The children have made a great start to our learning about legends. This week we will continue this unit by reading 'The Legend of Gelert.' We will be completing an emotions graph for the main character in the story and practising using evidence from the text to support our views. We will also be making predictions based on what is stated and what is implied.

On Thursday, to celebrate Roald Dahl day, we will enjoy reading Roald Dahl's work and completing a range of activities linked to this.

Theme

History - We will continue our learning about the Anglo Saxons and will complete an invaders and settlers passport. We will be developing an understanding of where this period of history falls within British History.

PSHE- We will be looking identity. We will be exploring similarities and differences and learning more about each other.

Geography – Mrs Morgan will continue working with the children on the United Kingdom Topic.

Extras

French will be on Tuesday

PE will be on Monday and Thursday afternoons.

Homework

Homework activities have now been set on Active Learn. A maths activity based on place value and a spelling activity. Spellings and timetables will be tested on Friday. The 6 and 8 times tables will be tested this Friday.

Also, please remember to read as much as possible 😊

Spelling Focus: This week's spelling focus is: This week's spelling pattern is: adding '-s', '-es', '-er', '-ed', '-ing' suffixes.
