

Year 6 - Week Commencing 25th November 2018

Maths

This week we will be looking at the following:

Multiplying mixed number fractions by converting to an improper fraction.

Decimal, fraction and percentage equivalents.

Solving problems using equivalence – fractions and percentages.

Calculating the fraction of an amount

The times tables test will be mixed test.

English

This week the children will be continuing their own stories based on Mary Poppins. Last week they gathered some great ideas for writing and I am excited to see what they will produce. During the writing phase this week we will be working on:

Using dialogue for a reason – to advance the action and to show something about a character.

Structuring dialogue in different ways.

Describing characters and settings.

Combining action, dialogue and description.

In grammar we will be looking prepositions and how they can be used to open sentences.

Theme

Science – We will be carrying out a number of investigations involving light and shadows this week. We will also be further developing our writing skills when reporting what we have investigated and discovered.

Music – The children will be continuing to find out about Benjamin Britten and will be creating a fact file about him.

PE: Rugby on Monday and Invasion Games with Phil on Friday.

Extras

PE will be on Monday and Friday afternoon this week.

My PPA time will be on Wednesday afternoon. Mrs Morgan will be teaching the class and delivering a fun music session!

Thank you if you have sent the pantomime permission slip and money in. 😊

Homework

I have sent quite a lot of homework home this week as many of the children have requested it. Some of it is quite challenging so feel free to encourage and help your child whenever you can!

We have also started using 'ReadTheory' online, this really helps the children with their reading and understanding of a variety of texts. Ask your child about this maybe have a go yourself?

Spelling Focus: This week's spelling focus is: words ending in '-ant' and '-ance'.
