

Week beginning: 12th March 2018

Class R weekly newsletter

Spring 2

Dear Parents,

It was unfortunate that due to the lack of staffing and concerns for the health and safety of the children because of the extreme weather, that we had to cancel our trip to Thornton Hall Farm last Thursday. The good news is we have rescheduled the trip for this week, Thursday 15th March.

Please ensure your child is appropriately dressed for the weather on the day as we will be outdoors for the majority of the trip. School uniform is not essential but, ensure your child wears clothes you don't mind them getting mucky in, wellies and a waterproof coat.

Just to remind you that all parents have still not signed up to the Tapestry Learning Journey tool yet. Please do this so that you can access your child's learning journey. If you haven't received an email please speak to Miss Anwar.

Learning

In literacy this week we will be learning about the life cycle of a butterfly. In maths we will be learning about doubling.

Home Learning

This week's homework task is to create a 3D life cycle of a butterfly or frog using a paper plate as base, this will be provided by school. I will send home examples of ideas.

Remember to send evidence of children's home learning and any 'Magic Moments' to the address below:

classr@coateslane.lancs.sch.uk

Kind Regards,

The EYFS team

Monday – Assembly

Tuesday - AM – Class Assembly/French
